The 5th Conference on the Biology of Microbial Systems

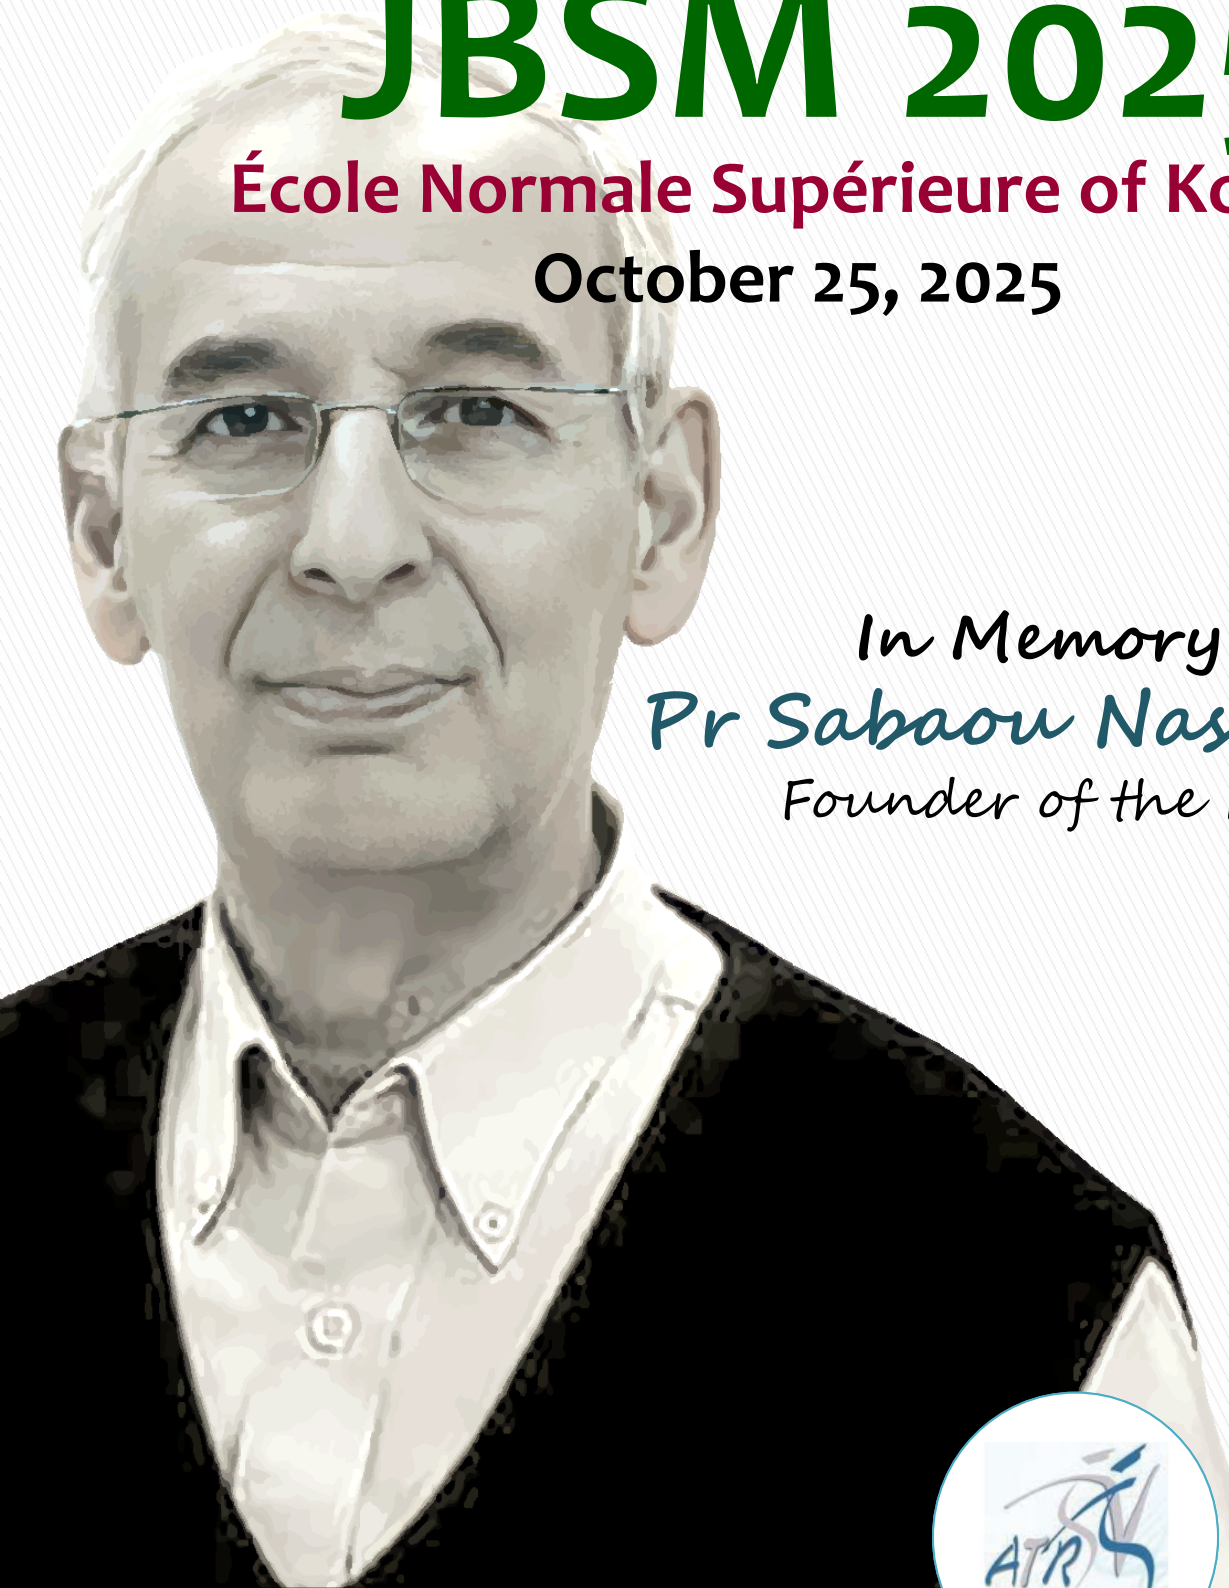

الأيام الخامسة لبيولوجيا الأنظمة الميكروبية

JBSM 2025

École Normale Supérieure of Kouba

October 25, 2025

In Memory of
Pr Sabaou Nasserline
Founder of the LBSM

Dear colleagues,

We have the great pleasure to communicate the first call for the 5th Conference on the Biology of Microbial Systems (JBSM-2025), organized jointly by the "Ecole Normale Supérieure El Cheikh Mohamed El Bachir El Ibrahimi (ENS-Kouba) and the Laboratory of the Biology of Microbial Systems (LBSM). The JBSM-2025 is being held on October 25, 2025.

JBSM-2025 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on various aspects of Microbiology, focusing on (i) *Microbial biodiversity and novel taxa*, (ii) *Microbial biomolecules and their applications*, (iii) *Microorganism-plant interactions: Biofertilizers and biocontrol*, (iv) *Microbial Genomics and Bioinformatics*, and (V) *Food safety microbiology*. It also provides an interdisciplinary platform for researchers and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered, and solutions adopted in applied microbiology.

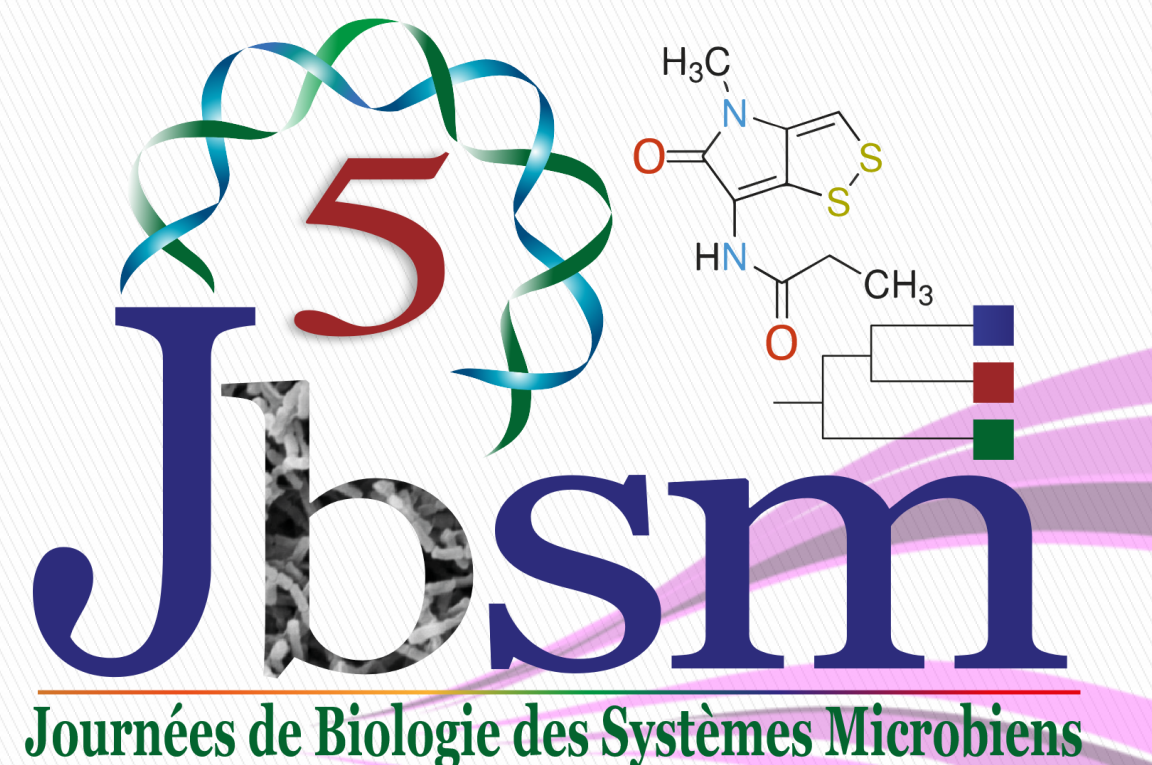

Why to attend?

- JBSM-2025 will provide a perfect platform addressing:
- Laudable talks by the top-notch Algerian Microbiology Community.
- Global recognition for meritorious researchers (the best oral and poster presentations given by young scientists will be awarded).
- Global networking.
- Novel techniques to benefit your research.

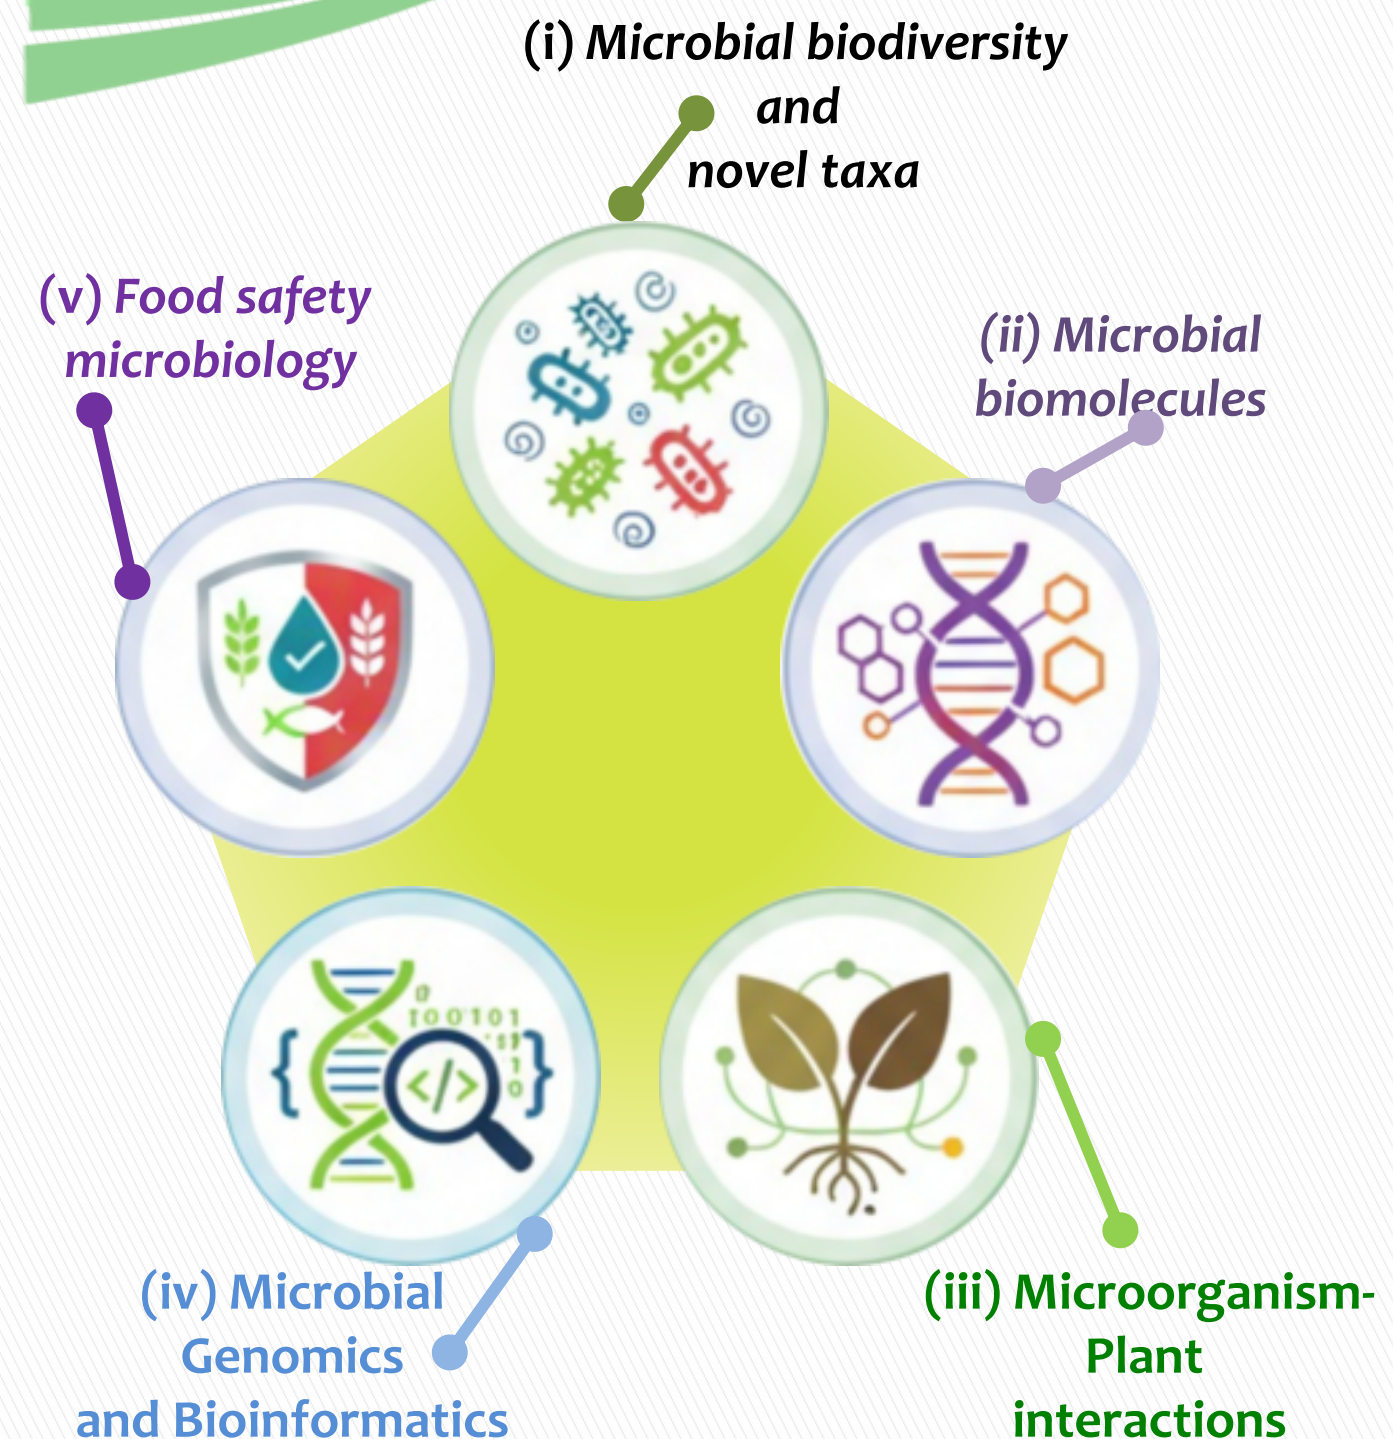

Important dates

Registration deadline: 30th September, 2025

Notifications of acceptance: 10th October, 2025

Registration

**Abstract Submission
Deadline: September 30th, 2025.
(included) (*)**

Abstract guidelines

The abstract must be sent via the Google form (registration form bellow). It should be structured as follow:

Abstract Language

Abstract submissions should be in English or French.

Abstract Title

A short and concise title that indicates the content of the work/contribution. The title should be bold size 14 written in Candara.

Abstract format

It should be double spaced, written in Candara size 12, with normal margins (2.5cm x 2.5 cm), double spacing should be used.

Author(s) Information

Author(s)'s name(s), institution(s), location(s).

Abstract Body Text

Your abstract may have up to 250 words (does not include title, authors, groups, and affiliations), written in Candara 12. Your abstract should include a short “Background”, the “Methods”; “Results”, and a short conclusion.

Keywords

At the end of the abstract, in a separate line, 4 to 6 keywords should be used. Select words that best describe your valuable contribution, for better visibility.

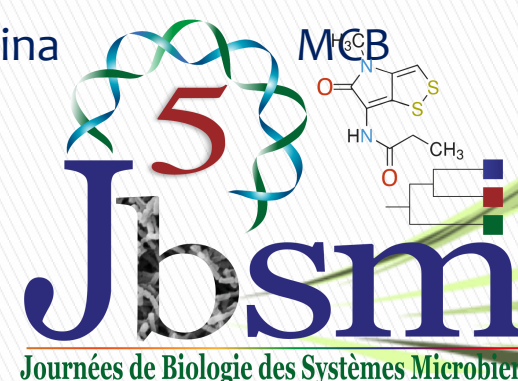

Registration form
